

Report of Licensee for 2008
License No. 011836 (Application A005645A)

Part 2 (CURRENT USES OF WATER): Acreage shown is estimated total commercial agricultural irrigation acreage with the District. Depending on location, this acreage may be served by one or both of two supply sources, whose supplies are covered by this licensed water right and by License No. 011835.

Part 3 (AMOUNT OF WATER DIVERTED AND USED): The monthly summary below shows total operations of the Sly Park facilities, including the exercise of pre-1914 water rights and the exercise of both direct diversion and storage rights under this License and License No. 011835. Daily data are available if further disaggregation is necessary.

Sly Park Reservoir Operational Summary

Month	Camino Conduit Releases (af)		Sly Park Creek Releases (af)	Spill (af)	Evaporation (af)	Camp Creek Diversion (af)	Sum of Park Creek Camp Creek	Feet to Spill
